Notes:

TI Registration decal looks like this. We're looking for the number in the bottom rectangle for those who have registered previously.

State Vessel/PWC Registration decal looks like this. We're looking for the MD xxxx YY number.

BOAT SLIP RULES AND USER RESPONSIBILITIES

1. All Boats, Personal Water Craft (PWC), and boat/PWC/SUP/Kayak trailers must be registered prior to receiving a docking assignment at Thunder Island. **Seasonal slips are available to Thunder Island owners' vessels only.** Registration and slip assignment will be on a first come, first serve basis and registration is open beginning March 1 for any boating season. After registration, a decal will be provided that must be displayed on each Boat or PWC in a location easily seen from the dock.
2. **Registered boats and PWC may be docked in their assigned slip from May 1 until November 1.** The docks are closed at other times.
3. Registration allows the Boat/PWC owner the right to dock a boat in an assigned slip and/or the right to store boat, PWC, or vessel trailer. **All registrants must provide copies of: a current valid state vessel registration, a valid state trailer registration displaying valid tag/expiration, and a proof of insurance. Registration will not be completed until all documentation is provided.**
4. Boats and PWCs docked in unassigned slips are subject to being removed at the boat owner's expense, at the discretion of the Thunder Island Board of Directors.
5. Marine approved lines in good condition that are 3/8" or larger (1/2" preferred), based on the size of the vessel, must be used to secure boats. Boats and PWCs operation at Thunder Island must be in accordance with the Department of Natural Resources and US Coast Guard rules and regulations and no water craft may be operated in a manner that creates excess noise or wake. Vessels must also be securely tied within the slip at all times. **All lines must be removed when the slip is vacated for more than 21 days and at the end of the season. Please notify the dockmaster if you plan to vacate either temporarily or permanently for the season prior to November 1.**
6. **Vessel owners must take responsibility to ensure that their boat/PWC is safely secured during any weather condition. The Thunder Island Association, its Board of Directors, its employees, or any other representative is not responsible for the safety of an owner or renter's boat or PWC. Under all circumstances, owners are responsible for the cost to repair dock or other boat damage caused by their boats or PWCs.**
7. **All boats, vessel trailers, and PWCs stored on the Thunder Island condominium parking lots must be registered and parked in the designated areas.** A decal will be provided identifying the unit owner/renter. This must be attached to the registered, vessel trailer and/or PWC on the outside of any covers, shrink wrap, etc. and in a location where the decal can be easily seen from the parking lot. **All Vessel trailer license tags must be current. Trailer storage is initially limited to one trailer per condominium unit. Should space allow, additional spaces will be considered on a case by case and first come, first served basis.**
8. Unit owners may store boats or PWCs along with the associated trailer at Thunder Island during the off-season so long as: **the vessel was kept in the water for at least 30 days during the boating season (as defined in Rules 1 and 2). Once any registered vessel has been in the water in the designated slip for the required 30-day period of time the boat may be transferred to storage at any time.**
9. Boats, PWCs and vessel trailers not properly identified and/or registered will be removed at the owner's expense. It may also be necessary for owners to move approved trailers and stored boats/PWCs with or without trailers to allow for parking lot maintenance.
10. **Failure to comply with any of the above rules may result in a loss of slip use and/or storage privileges. Violations may also result in the removal (towing) of the registered boat, PWC, or trailer from Thunder Island at the owner's expense. Privileges and use of boating and storage facilities is at the discretion of the Thunder Island Board of Directors.**

Compliance Agreement Statement

I agree to comply with the above Thunder Island rules and any applicable Association By-Laws. I understand that I am docking and or storing at my own risk and accept full responsibility for any damage caused by my boat/PWC or approved trailer. This includes any damage to other vessels, docks, pilings, piers and bulkhead in the docking area and any damage that may occur to parking lot surface or parked vehicles or to my vessel or trailer while stored therein. I understand and agree that if I violate any one of the above rules, register a boat/PWC/trailer not owned by me or register a boat/PWC/trailer under false pretenses, the boat, PWC or trailer registered may be removed at my expense. Any violation of the rules may also result in the loss of my docking and/or storage privileges for the remainder of the current season and/or during following season or seasons.

I, the undersigned, have read, understand, and agree to the BOAT SLIP RULES AND USER RESPONSIBILITIES.
